Ionia County Intermediate School District is a service organization.

Its employees provide support, special help and special equipment to local educators in Ionia County's nine public, four non-public and two charter schools.

About one-third of the staff serves constituent districts from the Administrative Service Center. This includes general education, alternative education, professional development, grant writing, gifted and talented, technology and vocational educational programs.

The balance of its employees work in the ICISD programs as well as local school district special education programs for the handicapped.
