Dear Consortium A and Consortium B Members:

The Lenawee County Insurance Consortium (LCIC) A and Lenawee County Insurance Consortium (LCIC) B solicited bids on behalf of the individual member public school districts in compliance with Public Act (PA) 106, Section 5, (2) which states "A public employer or pooled plan procuring coverage or benefits from 1 or more carriers shall solicit 4 or more bids when establishing a medical benefit plan, including at least 1 bid from a voluntary employees' beneficiary association described in section 501(c)(9) of the internal revenue code, 26 USC 501 (c)(9)." Bids were solicited for several Plan options for health insurance and included the specific demographic data of the following member school districts: Addison Community Schools, Adrian Public Schools, Blissfield Community Schools, Britton Deerfield Schools, Clinton Community Schools, Hudson Area Schools, Lenawee Intermediate School District (LISD), Madison School District, Morenci Area Schools, Onsted Community Schools, Sand Creek Community Schools, and Tecumseh Public Schools.

The LCIC A and LCIC B solicited bids from several different carriers. Bids were received from Blue Cross Blue Shield of Michigan, Priority Health Insurance Company, and Michigan Educational Special Services Agency (MESSA). MESSA is a qualified voluntary employees' beneficiary association (VEBA), described in section 501 (c)(9) of the internal revenue code, 26 USC 501(c)(9).

It is our understanding that these bids satisfy the requirements of PA 106 and the State of Michigan Best Practices requirements for all the participating LCIC A and LCIC B school districts listed above.

Respectfully,

Cindy Farmer
