- C. The Board agrees not to negotiate with any teacher's organization other than the Association for the duration of this Agreement.
- D. A bargaining unit member not subject to the provisions of the Michigan Teacher Tenure Act shall serve a probationary period of the same length as newly certified teachers under the provisions of the Act.

ARTICLE 2

Association Rights

- A. The Association and its members may use available school building facilities for meetings at reasonable hours when those facilities are not otherwise in use for school purposes. The Association and its members shall be provided reasonable access to and use of the e-mail system and available telephone, facsimile, duplication, audio visual, computer, printer and scanner equipment for conducting business of the Association when such is not otherwise in use for school purposes and at times that do not interfere with the professional duties and responsibilities of teachers. - B. The Board agrees to furnish to the Association, in response to written requests, available information that is relevant and necessary to the performance of its obligations for representation of the bargaining unit in grievances and collective bargaining as required by law. Payroll deductions for tax-sheltered annuities shall be made for those plans jointly approved by the Board and the Association for participation by bargaining unit members.

1. Revised IRS 403(b) regulations, effective January 1, 2009, require the Board to undertake substantial plan document and compliance responsibilities for 403(b) retirement arrangements provided to district employees.

The Board will offer bargaining unit employees the opportunity to participate in tax-sheltered annuity plans in accordance with the district's 403(b) plan document. Approved tax-sheltered annuity vendors for bargaining unit employee participation via payroll deduction are approved plans through TSA Consulting Group. Specific plans can be found on TSA's website:
www.tsacg.com/individual/plan-sponsor/michigan/central-montcalm-public-school.

The selection of tax-sheltered annuity plans in which bargaining unit employees may participate by payroll deduction shall be limited to those designated above except for bargaining unit employees continuing their participation in the tax-sheltered annuity plans in which they previously participated by payroll deduction prior to September 1, 2000. These employees may continue to participate in the previously selected plans until such participation is terminated by the bargaining unit employee, terminated by the tax-sheltered annuity plan, or terminated because these companies do not meet IRS regulations.

No bargaining unit member is required to become or remain a member of the Association as a condition of employment.
- C. Nothing in this Article shall be interpreted or applied to require deduction of employee contributions to political action or other similar funds of the Association or its affiliates.

ARTICLE 5 Teaching Hours

- A. Both the Board and the Association recognize that teachers are professionals and as such have an obligation to meet the needs of the students, their parents, the

community at large and the school district. Communication with students and their parents as to the expectations of the teacher and the school district is necessary both to ensure the advancement of learning as well as the orderly conduct of the students. Participation in meetings with parents to discuss the progress of their children is sometimes necessary either in a group or individual setting in order to enhance the ability of the students to reach their maximum learning potential. Participation in professional activities for the teacher is one of the methods by which the teacher can improve his/her ability to influence the learning of students.

- B. 1. The normal workday shall not exceed seven hours and thirty five minutes (7 hours and 35 minutes) and shall include a thirty (30) minute duty-free lunch period. While this provides for the basic teaching day, the Association and Board recognize that each teacher may have other professional responsibilities to the students and to the District.
- 2. In addition to the normal workday, the building administrator shall be allowed to extend the workday by up to thirty (30) minutes for a building staff meeting. Said meeting may be held either before or after the school day once per week, except if an emergency would require an additional meeting. The meeting shall be for no more than forty-five (45) minutes. Attendance at building meetings is compulsory and release from this obligation must be obtained orally from the building principal.
- 3. On teacher workdays (~~non-student~~, non Professional Development days), teachers may work a flexible schedule. They are responsible for working 7 hours and 35 minutes, but may begin the day earlier or later than their normal workday. - C. 1. Up to four (4) evening meetings, which shall not exceed a total of twelve (12) additional hours, may be required per school year. Said evening meetings shall not extend beyond 9:00 p.m. A schedule of these meetings shall be provided no later than the first day of school except if a meeting is to occur prior to the start of school or within the first two (2) weeks of school in which case at least a ten (10) day notice shall be provided. In the event a meeting has to be rescheduled, the rescheduled time and date shall be provided to teachers at least five (5) workdays in advance of the rescheduled date.
- D. School calendars for the respective school years of this Agreement shall be set forth in Appendix C and shall consist of student attendance days and teacher duty days as designated.
- E. 1. The parties agree to adhere to the requirements of attendance set forth in the school calendars found in Appendix C. Furthermore, teachers will work all days and/or hours of student instruction and professional development required by law for the District to receive full payment of state school aid for each school year for the annual salary specified in Appendix A. If school is canceled due to inclement weather or other conditions, teachers shall not be required to report to work, but all days and/or hours lost and required to be made up for the District to receive

full payment of state school aid will be made up at the end of the school year. Students shall be scheduled to attend all such make up days and/or hours.

2. When it becomes necessary to shorten the instructional day for students due to inclement weather, or other conditions, teachers will be released from their duties immediately after the students are loaded on the buses and the buses have departed.

- G. A teacher engaged during the school day in negotiations on behalf of the Association with any representative of the Board or participating in any professional grievance negotiations shall be released from regular duties without loss of salary. The board shall not make MPSERS contributions for such time, unless the teacher or the Association reimburses the Board for such costs.
- H. The Board shall provide three (3) leave days during which time officers or representatives of the Association shall be released from regular duties without loss of salary for scheduled MEA meetings. No more than two (2) of these days can be used by the same individual per school year. The Board shall not make MSPERS contributions for such time unless the teacher or Association reimburses the Board for such costs.
- I. 1. At the secondary level, teachers will receive a period to be used for classroom preparation purposes unless otherwise permitted by the building principal.
2. At the elementary level, teachers will receive a period to be used for classroom preparation purposes unless otherwise permitted by the building principal. The elementary preparation periods shall be as follows:

- K. In the event that a teacher is requested, and agrees to teach a before-school/after-school class, or an evening class (flex time), in lieu of an equivalent amount of scheduled minutes of his/her teaching assignment, then all other teaching expectations will remain the same.
 - L. If in the event a teacher is requested, and agrees to work days in a flexible calendar schedule, in lieu of days in the normal school calendar, then all other teaching expectations will remain the same.
 - M. It shall be the intent and effort of the building principal when assigning duties to do so on an equitable and even basis.
 - N. A teacher employed less than full time shall attend parent-teacher conferences, staff meetings, evening meetings, record days, and professional growth and school improvement activities, including those scheduled on early release days. Professional growth and school improvement activities shall be defined as those in which all staff members in the building are required to participate.
