After completing four (4) years of service paraprofessionals will be granted one (1) day for each month worked subject to a maximum of ten (10) days per year.

For each day of leave time allowed, the employee will be paid on the basis of the number of daily hours of work for that employee just prior to the absences and equivalent number of days deductions will be made from the leave bank. Leave shall be allowed for the following reasons, such time to be charged against leave time:

1. Personal illness or quarantine:
 - a. Before an employee may return to work after being ill five (5) duty days or more, she/he may be required to have a certificate of health from her/his physician.
 - b. In case an employee's record shows frequent absences due to recurring illness which appears to be the result of chronic illness, the Board of Education may require the employee to seek treatment from his/her physician.
2. Serious injury or serious illness in the immediate family which requires the presence of the employee with a limit of five (5) duty days allowed per occurrence. One day shall be allowed to arrange for the care of the family member in case of injury or illness. Immediate family is defined as anyone living in the household, and/or father, mother, spouse, son, daughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother or sister.

Immediate family is defined as anyone living in the household, and/or father, mother, spouse, son, daughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother and sister.

The paraprofessional planning to use such a day shall notify his/her principal in writing at least one day in advance and enter request into WillSub or other program designated by the District. In an emergency, the one (1) day advance notification will be waived, but written notification and entering into WillSub or other program designated by the District must be carried out upon returning from the personal business day. This limitation may be waived by the Director for Human Resources.

The following are restrictions upon the use of the personal business day:

- a. The day may not be used for Association activities or to seek other employment.
- b. The day may not be used on a day immediately preceding or following a holiday or vacation period. This restriction will be waived if the personal business day is to be used for marriage of the paraprofessional or member of the paraprofessional's immediate family, moving or closing of a mortgage.

The paraprofessional shall consult with the building principal in these circumstances.

6. Workers' Compensation:

The number of days deductible from such employee's leave time bank, computed on the basis of the amount of compensation paid her/him under the Act, as measured by her/his regular salary daily rate, shall not be deducted from the leave time bank. In cases where the amount of compensation paid equals more than a half-day, but less than a whole day, the whole day shall be allowed.

7. Jury Duty:

If an employee is called for jury duty, a leave of absence with pay, not chargeable against the employee's leave time allowance, shall be granted if such employee cannot be excused from jury duty or if such jury duty cannot be postponed until the employee is not working. Upon receipt of the notice that the employee is being chosen for the jury panel, such employee shall immediately contact the Human Resources Department. The District shall pay the employee the difference between the jury fee received and the employee's current pay so that the employee receives full current salary less deductions from the two sources.

Medical certification of the pregnancy is required; this certification must include a statement indicating the paraprofessional is physically capable of performing assigned duties and that such duties would not be injurious to the health of the paraprofessional and the unborn child.

A maternity leave shall begin on a date mutually agreed upon by the paraprofessional, her physician and the District. In cases where the performance of the paraprofessional is adversely affected by the pregnancy, the District shall establish an earlier beginning date for the leave than was previously agreed upon. The maternity leave following the birth of the child may be for up to one (1) year. A paraprofessional who indicates, in writing, prior to the birth of the child, an interest in returning to duty within sixty (60) calendar days following the birth of the child shall be assured that her position will be available to her upon her return within, but not exceeding, the sixty (60) calendar days. A paraprofessional wishing to have the maternity leave extended beyond the sixty (60) calendar days, up to a year, will be able to return to a comparable position when available.

 - a. Satisfactory evidence of physical and mental health must be filed with the Human Resources Department, as directed, before the employee is returned to duty.
 - b. Re-assignment shall be made after a leave of absence to the first comparable position that becomes available for which the employee is qualified. If the assignment is not accepted, then the employee shall be offered the next comparable

- c. A seniority paraprofessional, on an unpaid leave of absence for the period of eight (8) weeks or less, shall return to the position held prior to the start of the leave.
5. If, while on an authorized leave of absence, the employee engages in other employment, the leave of absence will be immediately terminated.
 6. Forced leave of absence:
 - a. The Board of Education may require an employee to submit to a physical and/or psychiatric examination at any time. The Board of Education reserves the right to designate the physician or physicians administering such examinations, provided, however, the Board of Education will pay the examining physician's fee.
 - b. The Board of Education may, without the employee's request, give the employee a one year's leave of absence without pay except for accrued sick leave upon the written recommendation of a school-designated psychiatrist. This is subject to renewal at the discretion of the Board of Education.

C. Maximum Cumulative Leave -

At the end of each fiscal year, any unused portion of the leave time shall become cumulative and may be used at some subsequent time for the reasons mentioned in this section. Employees with seven (7) or more years of service may accumulate leave time to a maximum of ninety (90) days.

A paraprofessional may choose to donate any or all of his/her unused sick leave to the sick leave bank upon retirement or termination of employment with the district. The leave bank will be administered by the Executive Committee which cannot grant more than ten (10) days per individual request per school year. Exception to this limit will be considered on an individual basis. The liability for reimbursement of the leave bank shall rest with the Association. All new hires will donate their first sick leave day earned to the sick leave bank. Once an employee has donated to the sick leave bank, he/she is then eligible to draw from the bank.

The Association may determine a maximum number of hours for the Sick Leave Bank. When the maximum is reached the Association may discontinue employee contributions to the Bank for that school year. The Association shall notify the District in writing when this occurs. Deductions will resume the following year unless written notification is received by the District from the Association.

1. The District agrees to provide to all paraprofessionals during the life of this contract, fifteen thousand dollars (\$15,000) of group term life insurance.
2. The carrier shall be selected by the District and the premiums thereon, less any dividends that may be payable on said policies, shall be paid by the District.

E. Inclement Weather Days -

1. 2. In the event that an "Act of God" or other disaster causes the cancellation of classes during the school day either in a building or entire District, the paraprofessionals affected may leave with the children without any deduction of salary or leave time, unless such lost classes resulted in a loss of District revenues or require make-up classes at some later date.

ARTICLE IX

GRIEVANCE PROCEDURES

- A. The paraprofessional or the paraprofessional and the Association Representative, shall, within fifteen (15) duty days of the occurrence, discuss complaints with the immediate supervisor (administrator) before using the grievance process. If the complaint is not resolved in this oral discussion, then:
1. Step One - Each formal grievance shall be filed in writing and submitted to the paraprofessional's immediate supervisor who shall make a written determination of the grievance within five (5) working days of the date of the submission.
 2. Step Two - Appeal from the determination at Step One may be made by presenting the grievance in writing to the Superintendent or his/her designee, within five (5) work days of the determination at Step One. The Superintendent, or his/her designee, shall meet with the grievant and the Association representatives, within five (5) work days from the date of receipt of the appeal, and shall render a written determination within five (5) work days following the date of the meeting with the individual and the Association representatives.
 3. Step Three - If the grievant and/or Association does not file a written notice of non-acceptance of the Superintendent's, or his/her designee's, determination within ten (10) work days, that determination shall be deemed to have been accepted. If the grievant and/or the Association file a written notice within ten (10) work days that the determination at Step Three is not acceptable, (and if such grievance is arbitrable as herein provided), the Association may then submit such grievance to grievance arbitration.
- It is agreed by both parties that the fees of the American Arbitration Association and the arbitrator will be paid by the losing party. Split decisions will result in both parties paying equal costs.
- B. Grievances resulting from actions of District administrators above the position of building principal shall commence at Step 2.
1. If such a grievance occurs, there shall be no stoppage of work because of such grievance.

2. Time limits may be extended by mutual consent of the District and the paraprofessional.
3. If it is found by the administration staff or the Board that a paraprofessional has been unjustly discharged or suspended, the paraprofessional shall be reinstated without loss of pay.
4. No terms can be added to or subtracted from this Agreement, nor any provision thereof changed, by the grievance procedure. The application or interpretation of this Agreement (either as to the meaning of its terms or as to the justification of action taken under these terms) shall be subject to the grievance procedure.
5. The liability of the District arising out of a grievance shall be limited to not more than fifteen (15) working days prior to the date of submission of the grievance in Step One.
6. The paraprofessional has the right to request that she/he be represented at all steps and stages by an officer of the Association or a member of the grievance committee.
7. The Association, in any grievance proceedings, shall have the right to represent any paraprofessional upon the request of the paraprofessional. The Association shall be present at any formal grievance hearing whether representing the paraprofessional or not. The Association shall have the right to file and process a grievance.

ARTICLE X

DISCIPLINE

- A. Constructive criticism shall be utilized to attempt to correct any deficiency when action is required. In cases of disciplinary action, the following progressive procedure shall be followed:
 1. First offense - Conference between paraprofessional and the immediate supervisor.
 2. Continuation - Verbal reprimand.
 3. Continuation - Written reprimand.
 4. Continuation - Disciplinary lay-off or discharge.
- B. Both parties mutually agree that with respect to discipline:
 1. All disciplinary action will be private.
 2. Every reasonable effort should be made mutually by the immediate supervisor and the paraprofessional to resolve the deficiency before a written reprimand is issued.
 3. Discharge, demotion, suspension, or any other disciplinary action shall be made only for just cause and in accordance with the policies and provisions of this Agreement and expectations that exist within the paraprofessional's position.
 4. A paraprofessional subjected to disciplinary action may request that a member of the Association be present for further discussion.
 5. The District agrees that, in the event of disciplinary lay-off, the Association will be notified at the time such penalty is imposed.

6. Any written reprimand must be based on bona fide, verifiable charges which are clearly stated to the paraprofessional. When such charges are made, the paraprofessional has the right to respond to those charges in written form.
7. Reprimand for minor offenses may be issued by a paraprofessional's immediate supervisor. Disciplinary lay-offs shall be imposed only for major offenses, or for continual pattern of minor offenses that have been dealt with in accordance with progressive discipline, but not corrected, and shall not be imposed unless authorized by the Superintendent or his/her designee.
8. Any discipline, reprimand, or reduction in rank, compensation or advantage asserted by the District or any agent or representative thereof shall be subject to the grievance procedure hereinafter set forth.
9. It is important that complaints regarding unjust disciplinary lay-offs, discharges, or suspensions be handled promptly under the Grievance Procedure beginning at Step 3. Accordingly, grievances must be filed within fifteen (15) working days of the lay-off, discharge, or suspension. The District will review and render a decision on the case at Step 3 within five (5) working days of the receipt of the grievance.
10. In the event it is determined that a disciplinary lay-off, or discharge, of any paraprofessional was without cause, the paraprofessional shall be reinstated unconditionally without loss of seniority and given back-pay for the time lost, less any compensation the paraprofessional may have received for work performed. If a discharge is reduced to a disciplinary lay-off, compensation shall be paid for that portion only or the time lost in excess of such disciplinary lay-off as finally determined.
11. In imposing any disciplinary action on a current charge, the District will not take into account any infractions which occurred more than twenty-four (24) months previously. This does not apply to serious offenses or those which are prohibited by law including School Code 380.1230b.
12. It is understood that in cases of major offenses Steps 1 and 2 may be eliminated and Steps 3 and 4 may be combined.
